

LoretoBlue® 'FC11-118'

LoretoBlue® 'FC11-118' has reliable high yields of uniform, large fruit. The shelf life of the fruit is excellent, with superior firmness at harvest and throughout cold storage. The plants are evenly sized and readily produce new canes each year, contributing to a reliable crop.

LoretoBlue® 'FC11-118' has a flexible harvest interval and may be well suited to machine harvest as the fruit can be held on the plant, concentrating the ripening while maintaining exceptional firmness.

LoretoBlue® 'FC11-118' is licensed to Fall Creek. The variety information presented in this chart is based on observations and does not guarantee results. Plant performance, fruit quality, and production across global regions, will vary due to a variety of elements including climate, soil, horticultural practices, inherent traits, and other factors. Fall Creek recommends growers trial varieties in their own commercial grower operations.
